4. What will you have to pay us for our services?

Mid-Term Adjustment	Up to £30.00

*The Cooling-off Period is up to 14 days from the start date of the policy or (if later) the day on which you receive your policy documentation and supporting information.

**If you cancel your policy before the cover has started you will receive a refund but we take a fee to cover our administration costs.

***This fee applies when your insurer instructs us to cancel your policy back to the start date. The insurer will treat the policy as invalid from the outset, but we take a fee to cover our administration costs.

These amounts are in addition to any fees and/or charges made by your insurer or PCL. All fees & charges are non-refundable unless otherwise stated. We are paid a commission calculated as a percentage of the loan made to you from PCL. Certain other fees maybe charged under the contract of insurance in relation to your telematics device, these are referred to in the Fees and charges section of the motor insurance policy wording.

We charge you a fee to arrange and administer the motor policy with the insurer on your behalf. We will tell you the exact fee amount for arranging your motor insurance before you purchase it. We are paid a commission by the insurer which is a percentage of your total annual motor premium. We are paid a flat fee by the insurer for arranging any optional extras on your behalf.

5. Cancellations

If we or the insurer cancel the policy, we will write to you providing a minimum of 7 days' notice of cancellation. This will be to your last known postal or e-mail address, in line with your preference to receive policy documentation.

If you cancel your direct debit or finance agreement with PCL this does not mean cancellation of your motor insurance policy, which is a separate contract. Please contact us to arrange an alternative payment method or cancellation of your policy.

Cancellation of the main motor insurance policy also cancels any optional extra insurances that you may have selected and as listed under Section 2 above. We make a full refund of premium for all optional extra insurances within the 'cooling-off' period. Thereafter, no refunds are due.

6. What happens at renewal?

We aim to find you our most competitive premium by searching our panel of insurers for any future renewal.

If you pay by direct debit, your policy, including any optional extras, is set up to renew automatically at the end of the 12 months. This means we will send you a renewal notification in good time before your renewal date with details of the price. If you are happy to renew you don't need to do anything and your policy will renew with the instalments continuing to be taken each month.

You can cancel this feature of your policy at any time by calling 0330 6781291 or using our website www.ingenie.com/contact-us.

If you have paid for your policy upfront by debit/credit card, your policy, including any optional extras, will not automatically renew at the end of the 12 months. We will send you a renewal notification in good time before your renewal date with details of the price. If you would like the policy to renew you will need to contact us by calling on 0330 6781291 or using our website www.ingenie.com/contact-us.

7. Payment of premiums (including Direct Debits)

Endsleigh Insurance Services Limited acts as agents of the insurer in collecting premiums and handling refunds due to clients, such monies are deemed to be held by the insurer with which your insurance is arranged. Any interest earned on these monies is retained by Endsleigh Insurance Services Limited.

Premium Credit Limited (PCL) is the company used by us to provide direct debit finance to enable its customers to pay for their insurance by spreading the costs over regular instalments, instead of paying the whole premium up front.

Unless otherwise agreed, payments must be made on their due date and your cover is only effective from the time we receive payment. We may cancel or lapse cover where payments are not received on time. If you choose to pay by direct debit, your personal information and the bank details you provide will be passed to Premium Credit Limited (PCL). To assess your application for credit, PCL will search public information that a credit reference agency holds about you. Details of their search and your application will appear on your record, whether or not your application proceeds. If you have any questions about your instalments, contact PCL at www.premium-credit.co.uk/contact.

At renewal of your insurance policy we will continue to pass your details to PCL unless you tell us otherwise.

Please refer to your PCL welcome pack for further details, including your right to cancel under the terms of the 'cooling-off' period.

PCL will tell us if you fail to make payment by direct debit under the terms of your credit agreement or if you end the agreement. This may result in your policy being cancelled and any money owed to PCL under your premium finance agreement will be deducted from any premium refund from the insurer.

If PCL have been paid in full any remaining refund will be used to offset Endsleigh Insurance Services Limited costs including fees & charges.

8. Collection of outstanding payments (and refunds)

You must continue to make payments in full and on time for your insurances, including after a notification of a claim, or we will commence cancellation procedures. If within seven calendar days of our notice you fail to respond, and you have given your permission for your card details to be used, we will try to collect any outstanding payments owed. If this fails, or we have not received permission from you, we may pass the debt to our Debt Collection Agency (for which an additional fee may be charged). Any costs that they incur in the recovery of the debt will be added to the amount outstanding. Any refund due to you will be returned to the debit/credit card we hold on file. Total refunds less than £10 shall be retained due to administrative costs incurred to process refunds.
